Dear Local Dealer:

My name is Elise Hulme and I am the Head Coach for the Special Olympics Seminole County Equestrian Team. The Equestrian Team is in the process of trying to secure a towing vehicle to pull our 3 horse trailer so we can transport our 4-legged athletes and volunteers to various competitions and events. We are currently using a 1990 Ford truck with 135,000 miles. This truck has served us well for the past 6 years, but repairing it is becoming increasingly frequent and costly.

Our greatest hope is that your dealership can donate all or part of a newer $\frac{3}{4}$ or 1 ton truck with the extra seat in the cab. Special Olympics is a registered charity and any contributions are completely tax deductible. At your convenience, I would be happy to speak with you and your organization to discuss options about helping our Equestrian Team.

Thanks in advance for your assistance.

Sincerely,

Elise Hulme
