We have worked extremely hard to make sure these games run as smoothly as possible. We have over 20 volunteers coming to this event and we want the volunteers, as well as the families to have a great time. We do not anticipate any problems, however in the event there is something you wish to address, please make sure to find a coach you recognize and ask them to help you resolve the issue. Everyone here, including coaches and staff, are VOLUNTEERS, so please make sure if you have an issue, to respectfully explain the problem and we will be more than happy to assist you.

Questions:

- Please try to ask any questions before the day of the competition, because on the day of the coaches and volunteers will be very busy setting up for this event.

GOOD LUCK!
