

# 2010-2011 Tentative Event Dates & Registration

Due to growing numbers, families are asked to attend the registration meeting to sign up athletes for a sport. Participants will not be accepted past the registration deadline. We cannot guarantee that space will be available after the registration meeting date. Event times, locations, and details will be published in our monthly newsletter and will be posted online. **All dates are tentative and dependent on the number of volunteers available and the donation of practice facilities.**
