ATTENDANCE POLICY

We have 11 practices before Area games. Athletes can schedule a make up session IF the coach is willing and available at the current practice location. *Remember, to be eligible for State Games, athletes must attend County & Area Games and 70% of practices between the start of the season and Area Games. That means athletes need to attend 8 of the 11 scheduled practices to be eligible. IF you miss practices because of other Special Olympics competitions, your absence will be excused.
