Be a fan™

SOSC Provides FREE year-round sports training and competition in over 12 different Olympic type sports for persons eight years of age and older with intellectual disabilities, giving them the opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics Florida athletes, and the community.

Special Olympics is no longer just an event. We are a movement, inviting the world not just to attend Games, but to think, feel, and act differently about everything.

We invite you to be a fan of opportunity; be a fan of acceptance; be a fan of Special Olympics.
