SIGN IN TABLE

There will be a registration table set up at the entrance of the stadium run by a parent. At the registration table the following will be conducted:

--Athlete sign-in for attendance purposes.

--Notices to parents about practices & competitions

--Parents and coaches will be required to stop at the table and get any updated newsletters for the season. We will not track down parents to make sure they get this information. Also, if you miss a week you will be able to find previous notices at this table.
